

Identify feelings and their origins

Feline-Good!

Circle three animals you want to get to know. Each animal needs a name. How are they feeling right now? Happy, sad, anxious, excited? Why do they feel that way?

Example:

Name: Pickles

Feels: frustrated, disappointed

Why do they feel that way? Pickles REALLY wanted to play catch outside with his best friend, but it's raining outside and his friend is home sick.

Name: _____

Feels: _____

Why do they feel that way?

Name: _____

Feels: _____

Why do they feel that way?

Name: _____

Feels: _____

Why do they feel that way?
