

ARE YOU SAFELY USING THE INTERNET?

Do not:

- share passwords or account information
- share pictures of yourself
- share bank or credit card information
- share your home address
- share the name of your school
- places you like to visit
- meet with someone you met online
- post rude, mean, insulting comments
- open links/messages/emails from strangers
- respond to rude, mean, insulting comments from others

If someone online makes you feel uncomfortable, tell someone you trust.

Remember if you post it...it's there for the world to see forever....IS IT WORTH IT?
